25X1 1.	/the general que that a colonel on his state soldiers with pistols were cut. "Kommandantura" was hung of visor cap having a red bar Kommandantura was still le building. (1)	on one of the buildings and who was previously obs	al or the colonel had a sign re at Object 1. An office served at Object 2 whe	two 25X' a hair eading 25X' er with a en the
2.	Coject 2. On 3 August, 90 Female personnel, left Obj marched in the direction of there individually. Thirty h and 50 EV in a column mared-bordered blue epaulets.	ject 2 after a moving pic of Object 1, while the re 7 EM marched to Object 3, arched to Object 9. Twent	cture performance. Six emaining personnel wal 25 female soldiers t by of these soldiers t	cty men Lked over to Object vearing

- from the movies at Object 2 included 150 soldiers who went in the direction of Object 1, 32 who went in the direction of Object 3, 18 to 20 soldiers including female personnel who went to Object 4 and 18 soldiers wearing red-bordered black epaulets who went to Object 9. (2)
- 3. Object 3. consisted of three billeting buildings; two of them were 50 meters long. The personnel quartered there marched to Object 1 for their meals and guard relief. On 20 August, 12 motor vehicles were parked in the 20 partially destroyed stalls of Object 5. From a tailor who worked at Object 7 where shoes and uniforms of the airfield personnel were processed, it was learned that Fuchs (fnu) was administrator of the Workshops. Allegedly forty men were employed at the workshops. Among them were 30 tailors and three or four shoemakers. Both villas of Object 8 were vacant, and a guard was posted in front of them. It was rumored that the finance office was to move in here. Object 9 consisted of eight houses and two garages. The blocks (a) to (f) had 2 entrances and eight 2 1/2-room apartments, while the blocks (g) and (h) had only four 2 1/2-room apartments. On 17 August, it was observed that the guard in front of the Kommandantura had red-bordered black epaulets. (3)
